July 12<sup>th</sup> 2013

SUB: EOL – End of Life Notification

Products impacted by this notice: 160VDC ~ 250VDC part numbers within NRE-FL series of Radial Leaded (LDD) Aluminum Electrolytic Capacitors

NIC Part Numbers affected: See below [Discontinued Part Numbers](#) table

Effective: July 12<sup>th</sup> 2013

Last order supporting business from established customers: April 12<sup>th</sup> 2014

Last delivery: October 12<sup>th</sup> 2014

REASON FOR CHANGE: Production allocation shifted to alternate products

**Series Cross Tool**

Please use **NIC QuickBUILDER Series Cross Tool** to select, review and compare potential replacement part numbers. **TIP:** Multiple replacement NIC series can be compared, by **Ctrl** + selecting multiple items
