Date: January 8, 2013

SUB: Product Change Notification – Component Terminal Finish

PRODUT TYPE: Surface Mount Power Inductors

NIC SERIES: **NPI16W** (see part numbers listed below)

The following is notice that the NP16W series part numbers (listed below) will change terminal finish from Gold over Copper (Au over Cu) to Tin over Copper (Sn over Cu)

Note: This change has no impact upon the performance, dimensions or form – fit – function of the component

CHANGE: Current gold finish terminal (Left) will transition to tin finish terminal (Right)

EFFECTIVE: This is a running change in the manufacturing of NPI16W series products, starting January 2013

REASON FOR CHANGE: To conform to terminal finish offered on remainder of NPI\_W product series

**Part numbers impacted by above change:**

NPI16W1R0MTRF  
NPI16W1R5MTRF  
NPI16W2R2MTRF  
NPI16W3R3MTRF  
NPI16W4R7MTRF  
NPI16W6R8MTRF  
NPI16W100MTRF  
NPI16W150MTRF  
NPI16W220MTRF  
NPI16W330MTRF

NPI16W470MTRF  
NPI16W680MTRF  
NPI16W101MTRF  
NPI16W151MTRF  
NPI16W221MTRF  
NPI16W331MTRF  
NPI16W471MTRF  
NPI16W681MTRF  
NPI16W102MTRF
